

SIX STATE RALLY CRAFTS

This is just a note to say Hi, my name is Rose Mudgett, craft captain for this year's 6 state rally in Shreveport.

We have a nice airconditioned building for crafts with bath rooms and a small kitchen. I am expecting everyone to have fun. So far, I have the following lined up:

Fly fish lure tying
Copper wire trees
Leather jewelry
Decorative capes
Cookie making from wheat berries
Pen making/assembly

I am looking for more teachers. Please call me at 210-218-8523 if you are interested or if you know anyone that I can call about teaching.

Thanks
Rose Mudgett
