Policy

In conjunction with the annual area rally the association may host a Golf Scramble usually before the opening day of the rally where a course can be selected at a reasonable cost to the players.

Procedure

The annual golf scramble is to be planned in a manner that registration fees for the event will cover all green fees, cart cost, food, and awards.

The Cadre Golf Captain is responsible for the planning and coordination of the event. If the Cadre Golf Captain position is vacant, a chairperson will be selected by the Rally Master. All monetary aspects of the event will be coordinated with the Treasurer. A detailed accounting should be completed and all documents (receipts, etc.) submitted to the Treasurer prior to the end of the rally. In the event that something unforeseen (weather cancellations etc.) would cause collections to be insufficient to cover expenses, the deficit will be covered by the Association.

Golf Scramble information shall be included in the Rally Registration form and otherwise promulgated as necessary.
