Policy

The Frustrated Maestros – South Central chapter will be invited to provide some of the daytime entertainment at the Six-State Rally.

Procedure

In accordance with the objectives of the Frustrated Maestro chapters, the South Central Chapter will be invited to provide some of the entertainment at the Six-State Rally. In recognition of their contribution to the rally they will be invited to the Volunteer Supper. Further, up to 15 parking sites will be reserved for their members. Those members participating will pay all rally, camping, and electric fees. When the chapter is one of the host chapters, the Six-State Rally Association will pay certain fees, the same as afforded to other host chapters.

To take advantage of the reserved parking, Chapter members may start arriving when early parking starts or the day of the volunteer supper. Unused parking sites will be released for the general parking on the day before the rally starts.

A roster of Frustrated Maestros – South Central members participating in the rally will be submitted to the Rally Master or Registrar no later than 14 days prior to the start of the rally to establish the reserved parking sites.
