

# silent Auction

An illustration of a white document with a folded top-right corner and a yellow pencil with a pink eraser and a sharpened lead tip, positioned diagonally across the document.

Our Chapters and individual members donate quilts that we have on display while the rally is in progress and then donate them to a local charity at the close of the rally.

We are going to pick out three quilts that you can bid on and if you win you get to keep.

The money will be added to the 50/50 money and given to the local charity.
